

*Project Consulting in Pharma and Biotech*

ASPIRAS wishes you all the best after the hot first half of 2003. What's new from ASPIRAS in August 2003?

## News in the download area of the ASPIRAS website

-----

One result of the newsletter survey of May 2003 was your request to find useful information, tools and materials on the site. According to your wishes we have included now a section named 'ASPIRAS materials' where as a first document our presentation about Project Management (from the talk held at IZB in Martinsreid in April 2003) is available. More to come!

## Support in Due Diligence

-----

For a Japanese pharmaceutical company we performed a due diligence on a German biotech firm active in the field of diagnostics prior to an investment.

## Take a break!

-----

On the recreational site of ASPIRAS a new photograph and a new citation will enhance your creativity: [www.aspiras.de/en/seiten/break.html](http://www.aspiras.de/en/seiten/break.html).

## Change of address

-----

From August 15<sup>th</sup> onwards you will find our office at Am Rosengarten 29, D-55131 Mainz. Please change your data accordingly. Phone and fax numbers remain unchanged.

## Challenge us

-----  
Just contact us non-committally and tell us your problem. Based on a sound analysis *ASPIRAS* offers you a coarse concept including a cost estimation. After consultation with the client it provides the following services: project target identification, project planning regarding time, capacity, cost and manpower, project implementation and control and project documentation. *ASPIRAS* finalises projects effectively and in the agreed upon time frame. Please contact Cathrin Pauly, [pauly@aspiras.de](mailto:pauly@aspiras.de).
